

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT -1 -5 -2 -6 3 -4". The tree branches out into various nodes, each representing a game state. Nodes are labeled with player indices and values, such as "-1 -5 6 2 3 -4" and "-6 5 1 2 3 -4". The tree includes several terminal nodes with outcomes like "30-WIN -6 -5 -4 -3 -2 -1" and "38-WIN -6 -5 -4 -3 -2 -1". The diagram uses blue text for labels and red lines for branches, indicating a specific path or strategy.
