

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 2 4 -1 5 -3 6". The tree branches into two main paths. The left path leads to a node labeled "-4 -2 -1 5 -3 6", which then branches into "1 2 4 5 -3 6" and "2 3 -5 1 -4 6". The right path leads to a node labeled "2 3 -5 1 -4 6", which then branches into "18DUP -4 -3 -2 -1 5 6" and "20DUP 2 3 4 -1 5 6". The tree continues with further branching, ending in terminal nodes labeled with outcomes like "4+WIN 1 2 3 4 5 6", "5+WIN 1 2 3 4 5 6", etc. Blue numbers and red slashes are used to indicate specific game states or moves along the branches.
