

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 1 5 -6 3 -2 -4". It branches into five nodes: "1 2 -3 6 -5 -4", "1 5 6 3 -2 -4", "23DUP 1 2 -3 6 -5 -4", "1 5 -6 -3 -2 -4", and "1 5 -6 3 4 2". Each of these nodes further branches into more nodes, some of which are labeled with outcomes like "DRAW" or "WIN". The bottom row shows 18 terminal nodes, each representing a specific state of the game.
