

The diagram is a game tree for a 6-player game. The root node is labeled "ROOT -3 -5 4 -2 -6 1". The tree branches out into several levels of nodes, each representing a different game state. The nodes are labeled with sequences of numbers, some of which are crossed out or have blue annotations. The tree ends in terminal states labeled with outcomes like "23+WIN 1 2 3 4 5 6", "50+WIN 1 2 3 4 5 6", etc. The diagram illustrates the game's structure, including the sequence of moves and the resulting payoffs for each player.
