

The diagram illustrates a game tree for a 6-player game. The root node is labeled "1-6 5-2-4-3". The tree branches into three main paths: "ROOT 1-6 5 4 2-3", "1 2-5 6-4-3", and "26DUP 1-6-5-2-4-3". Each path further branches into more nodes, some labeled with "DUP" (duplicate) and others with "WIN" (win). The tree ends with 35 terminal nodes, each labeled with a sequence of numbers representing the game state. The diagram uses blue text for labels and black lines for branches.
