

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 6 -5 1 -2 3 4". It branches into three nodes: "20DUP 6 -5 -4 -3 2 -1" (left), "23DUP 6 -5 -4 -3 2 -1" (middle), and "25DUP 6 -5 -4 -3 2 -1" (right). Each of these nodes further branches into more nodes, some labeled "WIN" or "LOSS". The terminal nodes are labeled with sequences of numbers representing player payoffs. Blue labels like "4,-5", "6,-5", "2,-1", etc., are placed along the edges of the tree.
