

Diagram illustrating a sequence of moves in a 3D puzzle, showing a tree structure of states and transitions. The root node is labeled "ROOT 5 -3 4 -2 6 1". The moves are labeled with numbers and signs (e.g., "4,-3", "5,-6") and some are highlighted in blue. The tree branches out to various states, including "5 -3 4 -2 -1 -6", "25DUP 5 6 1 2 -4 -3", and "28DUP 5 -4 -3 -2 -1 -6". The diagram illustrates a specific path through the puzzle's state space.
