

The diagram illustrates a game tree for a 6-player game. The root node is labeled $-1 -4 5 -6 2 3$. The tree branches out into several levels, with nodes labeled with player numbers and game states. The tree is color-coded: blue for nodes where a player has a winning strategy, and red for nodes where a player has a drawing strategy. The tree ends in a terminal state labeled $5\text{-WIN } -6 -5 -4 -3 -2 -1$.
