

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 2 -1 6 -3 5 -4". The tree branches out into several levels of nodes, each representing a different player's turn. The nodes are labeled with sequences of numbers representing the game state. The tree ends in terminal nodes labeled with outcomes like "5+WIN 1 2 3 4 5 6", "5-WIN 1 2 3 4 5 6", etc. The diagram is a visual representation of the game's state space and the players' moves.
