

The diagram illustrates a game tree for a 5-player game. The root node is labeled "ROOT 5 -4 1 -2 3". It branches into four nodes: "-5 -4 1 -2 3", "5 -4 1 2 3", "5 -4 -3 2 -1", and "22DUP 5 -4 1 2 3". Each of these nodes further branches into three nodes, which then branch into two nodes, and finally into one or two terminal nodes at the bottom. Terminal nodes are labeled with outcomes like "3-WIN -5 -4 -3 -2 1" or "3-LOSE -5 -4 -3 -2 1". Blue labels on the edges indicate scores for player 3, such as "3,-4" or "3,-2".
