

Diagram illustrating a sequence of 17 drawings (1 to 17) showing a branching structure. The root node is labeled "ROOT 6-2-5-4-3-1". The sequence of drawings is as follows:

- 1: ROOT 6-2-5-4-3-1
- 2: 6-2-5-4-3-1
- 3: 6-2-5-4-3-1
- 4: 6-2-5-4-3-1
- 5: 6-2-5-4-3-1
- 6: 6-2-5-4-3-1
- 7: 6-2-5-4-3-1
- 8: 6-2-5-4-3-1
- 9: 6-2-5-4-3-1
- 10: 6-2-5-4-3-1
- 11: 6-2-5-4-3-1
- 12: 6-2-5-4-3-1
- 13: 6-2-5-4-3-1
- 14: 6-2-5-4-3-1
- 15: 6-2-5-4-3-1
- 16: 6-2-5-4-3-1
- 17: 6-2-5-4-3-1

The diagram shows a branching structure starting from a root node, with branches labeled with numbers 1 through 6. The sequence of drawings shows the progression of the branching structure, with each drawing representing a different state of the branching process.
