

Diagram illustrating a sequence of 18 moves in a card game, starting from a root state and branching into various configurations. The moves are labeled with numbers and symbols (e.g., 2-1, 3-2, 4-3, 5-6, 6-5, 7-8, 8-7, 9-10, 10-9, 11-12, 12-11, 13-14, 14-13, 15-16, 16-15, 17-18, 18-17). The diagram shows the progression of the game, with the root state at the top and the final state at the bottom. The moves are represented by lines connecting the states, and the labels indicate the specific move performed at each step.
