

The diagram shows a game tree for a 6-player game. The root node is labeled "ROOT -1 6 -4 3 2 5". The tree branches out into several levels of nodes, each representing a game state. Nodes are labeled with sequences of numbers, some in blue (e.g., 3, -4) and some in black. The tree ends with terminal nodes labeled with sequences of numbers, some in blue (e.g., 5, -4) and some in black. The diagram illustrates the game's structure, including branches and terminal states.
