

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT -4 -6 -3 2 -1 5". The tree branches out into various nodes, some of which are labeled with "DRAW" or "WIN" outcomes. The nodes are connected by lines, and some nodes have additional labels like "5, -4" or "3, -2" in blue text. The tree structure is complex, with many branches and sub-branches, representing different game states and player moves.
