

Diagram illustrating a game tree structure for a 6-player game. The root node is labeled "ROOT 2 5 4 -6 1 -3". The tree branches out into several levels of nodes, each representing a different game state. The nodes are labeled with sequences of numbers, some of which are crossed out. The branches are labeled with numbers, some in blue and some in black. The tree structure shows the progression of the game from the root to the terminal states.
