

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 4 1 -3 5 -2 -6". The tree branches out into various nodes, each representing a game state. Nodes are labeled with sequences of numbers, some of which are crossed out or have blue annotations. The tree ends in terminal states labeled with outcomes like "19-WIN", "18-DUP", "38-WIN", etc. The diagram is a visual representation of a game tree, showing the sequence of moves and the resulting game states.
