

The diagram illustrates a game tree for a 6-player game. The root node is labeled $-1\ 2\ -4\ -3\ 5\ -6$. The tree branches out into several levels of nodes, each representing a different player's turn to move. The nodes are labeled with the current player's index and the remaining players. The tree ends in terminal nodes labeled **WIN** or **LOSE**. The diagram is a visual representation of the game's state space and the players' strategies.
