

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 2 -6 5 -3 1 4". The tree branches out into several levels of nodes, each representing a player's turn to move. The nodes are labeled with sequences of numbers representing the game state. The tree ends in terminal nodes labeled with sequences of numbers. The diagram is a visual representation of the game's structure and the sequence of moves.
