

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 4 -3 -5 -2 -6 1". The tree branches out into various nodes, each representing a game state. The game ends at terminal nodes with outcomes like "5+WIN 1 2 3 4 5 6", "30+WIN 1 2 3 4 5 6", etc. The diagram shows a sequence of moves and counter-moves, with some branches leading to a draw or a win for a specific player.
