

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 5 4 -1 -3 6 2". The tree branches out into several levels of nodes, each representing a game state. Edges are labeled with blue numbers indicating player moves. The tree ends with terminal states labeled with game outcomes like "21-DUP -6 -5 -4 -3 -2 -1" or "43-WIN -6 -5 -4 -3 -2 -1". The diagram is a visual representation of the game's state space and possible outcomes.
