

The diagram illustrates a game tree for a 6-player game. The root node is labeled $-6 -4 -1 -5 -2 3$. The tree branches out into several levels of nodes, each representing a different player's turn. The nodes are labeled with sequences of numbers representing the game state. The tree ends in terminal nodes labeled **WIN** or **DRAW**. The diagram is a visual representation of the game's state space and the players' moves.
