

The diagram illustrates a game tree for a 6-player game. The root node is labeled "1-2-6-5-3-4". It branches into four nodes: "ROOT 1-2-6-3-5-4", "22DUP 1-2-6-5-3-4", "1-2-6-5-3-4", and "1-5-6-2-3-4". Each node further branches into more nodes, some labeled with numbers like "1236-5-4", "12-6-5-3-4", etc., and others with labels like "123-6-5-4", "1236-5-4", etc. The tree ends with various terminal states, many of which are labeled with "+WIN" or "-DRAW".
