

The diagram illustrates a hierarchical tree structure of mathematical expressions. The root node is labeled "ROOT -4 3 5 -2 6 1". It branches into several nodes, including "-4 3 5 -2 -1 -6", "4 1 D U P 3 4 5 -2 6 1", and "4 1 D U P 3 4 5 -2 -1 -6". The tree continues to branch down to a final row of nodes, including "-5 -4 -3 -2 6 1", "3 4 5 -2 -1 -6", and "4 1 D U P 3 4 5 -2 -1 -6". The diagram uses a mix of black and blue text for labels and arrows to indicate the flow of the tree.
