

The diagram illustrates a game tree for a 5-player game. The root node is labeled "ROOT -4 2 -3 -1 6 5". The tree branches out into several levels of nodes, each representing a player's turn to move. The nodes are labeled with coordinates (e.g., -4 2 3 -1 6 5, -6 1 3 -2 4 5) and some are marked with "DUP" (Duplicate). The tree ends in terminal nodes representing the final game state. The diagram is a visual representation of the game's structure, showing the sequence of moves and the resulting payoffs.
