

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 1-3 5 4 2 6". The tree branches out into several levels of nodes, each representing a different state of the game. The nodes are labeled with sequences of numbers, some of which are crossed out. The branches are labeled with pairs of numbers, some of which are crossed out. The tree ends in several terminal nodes, some of which are labeled "WIN" or "LOSS".
