

The diagram illustrates a game tree for a 6-player game. The root node is labeled $-1\ 2\ 6\ -5\ -4\ -3$. The tree branches out into several levels, with nodes labeled with sequences of numbers and some nodes marked as 'DUP' (duplicate). The branches are labeled with numbers and some are crossed out with a diagonal line. The tree ends with a series of nodes labeled $5+\text{WIN } 1\ 2\ 3\ 4\ 5\ 6$.
