

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 2-1 6-4-5 3". The tree branches out into several levels, with nodes labeled with player indices and game states. The diagram shows a sequence of moves and responses, with some branches ending in "WIN" or "LOSE" outcomes. The tree is highly detailed, showing the progression of the game from the root to various terminal states.
