

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT -4 6 -1 -5 2 -3". The tree branches out into several levels of nodes, each representing a player's turn. The nodes are labeled with the current player's index and the remaining players' indices. The tree ends with terminal states labeled "WIN" or "DRAW". The diagram is a visual representation of the game's state space and the players' moves.
