

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT 1 -3 2 6 5 -4". The tree branches out through various nodes, each representing a state of the game. Nodes are labeled with sequences of numbers, some with a minus sign, indicating player positions or scores. The tree ends at terminal nodes labeled "24+WIN 1 2 3 4 5 6", "26+WIN 1 2 3 4 5 6", "29+WIN 1 2 3 4 5 6", and "33+WIN 1 2 3 4 5 6". The diagram uses blue lines for branches and black text for labels. Some branches are marked with a blue "X" and a number, indicating a specific move or outcome.
