

Diagram illustrating the construction of a Coxeter group from a Coxeter diagram. The diagram shows a sequence of transformations (DRAW, ERASE, DUP, etc.) applied to a Coxeter diagram, resulting in a sequence of diagrams. The diagrams are labeled with the sequence of transformations applied, such as "DRAW -1 5 -2 3 DRAW -1 3 -2 -5 -4 -6" and "ERASE 3 4 5 6". The diagrams are arranged in a grid, showing the progression of the construction.
