

The diagram illustrates a hierarchical structure of nodes and edges, organized into rows and columns. The root node is labeled "800P-152-4-0". It branches into several nodes, some of which are further labeled with "S" and "P" suffixes. The diagram is organized into rows and columns, with labels like "152-4-0", "152-4-1", "152-4-2", etc., indicating different levels or states. The edges are represented by lines connecting the nodes, and some nodes have small blue circles next to them.
