

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT -6 5 1 -4 2 -3". The tree branches out into several levels of nodes, each representing a game state. Nodes are labeled with player numbers and game states, such as "-6 5 1 -4 2 3", "-6 -5 1 -4 2 3", and "-6 -5 1 -4 2 3". The tree ends with terminal states like "11-WIN -6 -5 -4 -3 -2 -1" and "38-WIN -6 -5 -4 -3 -2 -1". The diagram uses blue text for labels and blue lines for branches, with some branches being solid and others dashed.
