

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT -1 -5 -2 -3 6 4". The tree branches out into several levels of nodes, each representing a player's move. The nodes are labeled with sequences of numbers representing the game state. The tree ends in terminal states labeled with outcomes like "5-WIN", "3-WIN", "4-WIN", "6-WIN", "DRAW", and "37-WIN". The diagram is a visual representation of the game's structure and possible outcomes.
