

The diagram illustrates a game tree for a 6-player game. The root node is labeled "ROOT -1 3 -5 4 2 6". The tree branches out into several levels of nodes, each representing a different player's move. The nodes are labeled with permutations of the numbers 1 through 6, indicating the order of play. The tree ends in terminal nodes labeled with outcomes like "5+WIN 1 2 3 4 5 6", "7+WIN 1 2 3 4 5 6", etc. The diagram is a visual representation of the game's structure and the sequence of moves.
